

Pediatric Clinic EHR Demonstration

We would like a 15 minute video showcasing your product. In this video, we would like the following

DON'T SLOW DOWN AND EXPLAIN - YOU CAN GO BACK AND EXPLAIN IT IF YOU DESIRE.

DO IT LIKE A PHYSICIAN WOULD SO OUR GROUP CAN SEE THE PHYSICIAN WORK FLOW

1. Video showing documentation of a healthy 12 month old check up

I will give you the values for the growth curve. I would like you to demonstrate the HPI including developmental milestones, PMH, ROS, exam, growth curve, Assessment, Plan including immunizations

Past Information on Child

age	Wt	Ht	HC	Immunizations Received
birth	6 lb 3 oz	21	14.5	Hep B
1 mos	8 lb 4 oz	21.5	15	Hep B
2 mos	12 lb	22	15.5	Dtap, Hib, IPV, Prevnar, Rota
4 mos	16 lb	26.25	17	Dtap, Hib, IPV, Prevnar, Rota
6 mos	17 lb 9 oz	27.75	17.5	Dtap, Hib, Hep B, Prevnar, Rota
9 mos	18 lb 9 oz	28.75	18	none

Child is a 34+3 week gestation. Birth history unremarkable except for jaundice requiring phototherapy the first 3 days of life.

FMH: Asthma in mom, HTN in grandfather both sides

Exam: normal 12 month exam

Assesment 12 year check up - show coding

Plan: Give Varicella, prevnar and Hep A today. Follow up at 15 mos check up

Vitals today are age 12 mos. Weight 20 lb 9 oz, Height 30, HC 19, Temp 98.2 axillary

Document the note and show final note. Would also like final note in format I can print to show everyone.

2. Video showing documentation of an ear infection

Child is a 7 year old. Vitals weight 52 pounds. Temp 101.7 oral

PMH: asthma and is on Advair 250 2 puffs BID, Albuterol inhaler 2 puffs q6 PRN (show chronic problems and meds)

Today she presents with right ear pain for 2 days. Getting worse. Can not sleep. Has 101 fever. Been swimming every day. Has had congestion, cough for a week. ROS negative except for above

Exam: normal except for a right otitis media

Assessment: Otitis Media 382.9 - show coding

Plan: Amoxil 400/5 80 mg/kg/day divided q12 - show dosing calculator. Schedule follow up in 3 weeks

3. With remaining time feel free to show other features of you product - messaging, labs, refills etc...
